The parking on grass verges was referred too and that DCC do not have the finance to repair the amount that have been damaged during the winter months.

The Clerk referred to correspondence from Inspector Andy Reeves, Bishop Auckland about the request for the Chief Constable to attend a public meeting over ASB concerns. Inspector Reeve offered in the first instance that his line manager attends the meeting.

It was agreed to thank Inspector Reeves but members felt the Chief Constable should be invited to attend. **Action:** Clerk will discuss this with Inspector Reeves

The Clerk informed members that a visit to the pavilion on the Welfare Ground had resulted in 20 bags of rubbish to be removed. Professional cleaners were then employed to clean the main areas.

The state of the wall (Travellers Rest) and the bus stop were discussed. Damage is being carried out to both the wall and the shelter by youths. It was noted the damage had been reported to DCC and the Police.

Dog fouling remained a problem. Members agreed that it needed reporting more widely to DCC by residents. Someone needs to be caught and fined.

A replacement for David has not been found and without his litter picking in the village the amount of rubbish dropped is being shown up.

The Clerk distributed a further document to members showing the complete proposed footprint.

Cllr Nicholson opened the discussion by expressing disappointment CA had not communicated with the council or the wider community on such a major development in the village.

Main points from the discussion:

The proposal envelopes Copeland Row, affects a public right of way, and the access is on to a narrow stretch of road opposite the allotments.

As the major employer they should have engaged the community

On the positive it is great for employment and the village as a whole

The amount of trees and shrubs (mature) to be removed is a concern

Has the land settled sufficiently since the open cast?

Members felt it appropriate to ask representatives from CA to attend the next council meeting to discuss the proposals in more detail. **Action:** Clerk to approach CA and submit the request.
